

O*NET Enrichment Data Sheet

Dataset: O*NET Occupation Enrichment

Version: 28.3

Last Updated: October 2025

Data Sources

- O*NET Web Services API (<https://services.onetcenter.org>)
- Cached in Supabase table: onet_occupation_enrichment
- Includes: Bright Outlook, wages, employment outlook, job zones, STEM flags

Retention & Privacy

- Cache expires after 30 days; refreshed on-demand or via force refresh
- No PII collected; occupation codes and public O*NET data only
- Row Level Security (RLS) enforced for user-specific saved analyses

Data Quality

- O*NET data updated annually by U.S. Department of Labor
- Validation: cross-check with official O*NET database releases
